President Trump = America First

He is a patriot who loves America and
is leading us in the fight against
the Marxist “DemocRATS” and Uni-party Globalists.

He is a **proven “Peace & Prosperity” and “Law & Order” President** who:

- 1) as Commander in Chief, kept us out of wars and was respected by our allies and feared by our adversaries.
- 2) secured our borders from invasion by illegal immigrants.
- 3) had economic policies that grew good jobs & the economy with low inflation.
- 4) protected our Constitutional and God given rights.

Kamala = America Last

is **an illegitimate and compromised Puppet Vice President and Presidential Candidate**
who is controlled by Obama, the “deep state”, China, Ukraine and others AND
who is **intentionally and treasonously destroying America** with:

- 1) an open border invasion by millions of illegal immigrants and American killing drugs.
- 2) a weakened military that has invited adversaries to go to war.
- 3) economic policies that are inflationary and destroy families and small businesses.
- 4) “woke” policies that indoctrinate citizens, fuel division & dependence on Government and strip us, “we the people” of our constitutional and God given rights.
