

2024 Mission: Re-Elect President Trump

Dear Concerned American Patriot,

Concerned Americans for America urgently needs your \$\$ support for our 2024 Mission to re-elect President Trump.

Our focus in 2024 is exclusively on the execution of a pro-Trump billboard strategy in the critical battleground states of Wisconsin and Pennsylvania.

1. We have a **proven track record of *only* investing in high ROI** (return on investment) **elections.**
 - ✓ We significantly contributed to President Trump's improved Victory Margin over Biden in Collier County FL in 2020 versus his Victory Margin over Clinton in 2016.
 - ✓ We significantly contributed to Sen. Ron Johnson's razor-thin victory over Mandela Barnes in Wisconsin's U. S. Senate race in 2022. Sen. Johnson's Victory Margin was only 26,718 votes out of 2.7 million votes cast.
2. **Our core competencies are: 1) the design and delivery of highly effective and persuadable messaging and 2) the research, selection and contracting of billboards in target markets.**
3. **We have a "no grifter" policy.**
 - ✓ We promise that 100% of every dollar you contribute will be invested **ONLY** on highly effective pro-Trump messaging in 2024.
 - ✓ We promise, as in 2020 and 2022, that **NONE** of your 2024 contributions will be spent on consultants or salaries. All contributions will **ONLY** fund messaging related expenses.

Concerned Americans for America are true grassroots patriots who believe in ACTION, ACTION, ACTION!

We believe that **we must re-elect President Trump in 2024 or it may be impossible to reverse the current evil course of history** of this exceptional country.

Patriots, we need your \$\$\$ support.

Respectfully and with gratitude for all you are doing to help save our country.
